Any claim by the Contractor for adjustment under this contract must be asserted within 30 (thirty) days from the date of receipt by the Contractor of the modification or change.

In the event that the Contractor fails to make progress so as to endanger performance of this fixed price contract, or is unable to fulfill the terms of this fixed price contract by the completion date, the Contractor shall notify ATIC forthwith and ATIC shall have the right to summary termination of this fixed price contract upon written notice to the Contractor.
